## Henry Jones

*for* CalPERS Board Retired Representative Seat

Since 2007, Henry Jones has fought to protect the pension security of firefighters and the nearly 1.9 million members of CalPERS.

Henry was elected to serve as the first retiree President of the CalPERS board in over 25 years, bringing the retiree voice to the forefront. He also made history as the first African American CalPERS Board President in its 87-year history.

A longtime financial professional, Henry retired as Chief Financial Officer of LA Unified School District where he managed a \$7 billion budget, oversaw the district's investment practices and improved its bond rating. He also served as Treasurer of the Council on Institutional Investors, helping to set corporate governance policies and advising on pension fund assets valued at more than \$1 trillion.

With a long career in public sector finance, Henry has the fiscal experience and leadership needed to keep CalPERS strong and set a stable financial vision for the future.

Vote for Henry Jones to keep CalPERS strong.
